

Company	Location	Description
Great Southwest Aviation	Roswell	Aircraft maintenance, teardown and storage
ACME Worldwide Enterprises, Inc.	Albuquerque	Flight simulators and services
Advanced Aircraft Composites	Las Cruces	Aircraft Manufacturer
Advanced Composite Structures, LLC	Rio Rancho	Cargo containers
Aerojet	Socorro	Weapons control systems
Aero Mechanical Industries *	Rio Rancho	Aviation parts manufacturer & repair
AeroParts Manufacturing & Repair	Rio Rancho	Aircraft parts overhaul
Aerosock	Hobbs	Windsocks
Albuquerque Manufacturing, Inc. *	Albuquerque	Waterjet and powder coating services
Applied Technology Associates (ATA) *	Albuquerque	Manufactures angular rate sensors, actuators and subsystems used in crash testing, aerospace controls, platform stabilization, vibration and motion measurement, inertial navigation, and line-of-sight imaging systems.
Armadillo Aerospace	Spaceport America	Developer of reusable rocket powered vehicles. Focused on VTVL (vertical takeoff, vertical landing) suborbital research and passenger flights, with an eye towards eventual paths to orbit.
Aspen Avionics, LLC	Albuquerque	Design and engineer multi-function flight displays
Ball Aerospace	Albuquerque	Satellite Systems
Barnhill Bolt Company	Albuquerque	Hardware
Birdman Air Enterprises, Inc.	Roswell	Aviation storage, maintenance, repair and dismantle
Boeing SVS, Inc.	Albuquerque	Control devices, electro-optics and simulation, directed energy systems

NMpartnership : TOP AEROSPACE FIRMS IN NEW MEXICO

Dean Baldwin Painting	Roswell	Aircraft painting
Devore Aviation Corp- America	Albuquerque	Aircraft lighting systems
Environmental Tectonics Group	Holloman Air Force Base	Aircrew training systems
Flight Research and Training Center	Roswell	Improves safety of commercial air transportation.
GE Aviation	Albuquerque	Aircraft engine parts
GE Fanuc Intelligent Platforms Embedded Systems, Inc. *	Albuquerque	Aircraft computer boards
Goodrich Space Flight Systems	Albuquerque	Search and navigation products manufacturer
Great Southwest Aviation	Roswell	Aviation storage and maintenance.
Honeywell Defense & Space Electronic Systems	Albuquerque	Manufactures sensors, instruments and simulation devices
Kit Pack Co., Inc.	Las Cruces	Manufactures kits for engine overhaul
KL Steven Co.	Rio Rancho	Precision custom machining
Lockheed Martin	Albuquerque	Guided missiles and space vehicles
MSI Helicopters	Albuquerque	Manufacturing, leasing
NASA LBJ Test Facility	Dona Ana County	Rocket testing
Northrop Grumman	Albuquerque	Engineering and development for aerospace industry
Raytheon Missile Systems	Farmington/Navajo Nation	Electro-mechanical subsystems and launch systems
Rocket Racing League	Las Cruces	Competitive racing of rocket-powered planes
Sagebrush Technologies	Albuquerque	Gimbals
Sandia Aerospace	Albuquerque	Aircraft manufacturer
Sennheiser	Albuquerque	Manufactures commercial aircraft accessories, microphones and headsets
Stewart Industries	Roswell	Maintenance, repair and dismantle

NMpartnership : TOP AEROSPACE FIRMS IN NEW MEXICO

Sun Country Industries	Albuquerque	Aerospace contract manufacturing company specializing in close tolerance machining and precision assembly
Ultramain Systems, Inc. *	Albuquerque	Provides superior M&E software products and professional software implementation services to leading aviation companies worldwide.
UP Aerospace	Spaceport America	Rocket building
Virgin Galactic	Spaceport America	Commercial Spaceflight
