

<b>Company</b>	<b>Location</b>	<b>Description</b>
310 Solar	Albuquerque	Photovoltaic Installation
ADI Solar Electric	Santa Fe	Solar System Design and Installation
Advent Solar	Albuquerque	Photovoltaic Research and Development
Affordable Solar Group	Albuquerque	Solar Electric and Wind Systems
All Star Electric	Albuquerque	Photovoltaic, Wind Energy, Remote Home Power, and Portable Power Systems
American Renewable Fuels	Clovis	Renewable Energy Production
Array Technologies	Albuquerque	Solar Power Systems
Aurora Borealis Electric	La Madera	Photovoltaic Installation
Berken Solar	Roswell	Solar Panel Manufacturing
Blue Energy Solarwing	Santa Fe	Solar Energy
Cabot Superior MicroPowders	Albuquerque	Fuel Cell Technologies
Cedar Mountain Solar	Santa Fe	Solar Hydro Systems
Clovis Bio Diesel	Clovis	Renewable Energy Production
Conergy Products	Santa Fe	Alternative Energy Products
Direct Power & Water Corporation	Albuquerque	Manufacturer of Photovoltaic Module Mounting Systems, Hybrid Power Systems, Solar Outdoor Lighting, and Solar Water Pumps
Emcore *	Albuquerque	Compound Semiconductor Technologies
Energy Concepts Corporation	Sapello	Renewable Energy
Energy Control Inc	Albuquerque	Solar Photovoltaics
Energy Related Devices	Los Alamos	Fuel and Solar Cell Technologies
Ever Guard Solar	Albuquerque	Integrated Photovoltaic Systems
Gratings, Inc.	Albuquerque	Advanced lithography used to produce small features on wafers and semiconductor materials
Independent Energy Center	Farmington	Wholesale Distributor of Solar Equipment
Matrix Solar Technologies	Albuquerque	Solar Module Manufacturer
MesoFuel	Albuquerque	Hydrogen Fuel Cells
Mirasol Solar Energy Systems	Rio Rancho	Solar Design and Consulting
New Mexico Radiant Supply	Albuquerque	Distribution of Solar Heating Systems
Positive Energy	Santa Fe	Design and installation of custom renewable energy systems
Public Service Company of New Mexico	Albuquerque	Generates energy including wind-generated power

Radiant Heating Systems	Albuquerque	Wholesale
Sacred Power Corp.*	Albuquerque	Photovoltaic, Wind, Solar, and other renewable energy products
Schott Solar *	Albuquerque	Manufactures Photovoltaic Modules and Receiver Tubes
Skyfuel *	Albuquerque	Creates practical and innovative solutions based on thermal concentrating solar power
Solar Array Ventures, Inc. *	Albuquerque	Manufactures high-performance solar panels ideally suited for commercial, industrial and utility-scale power generation
Solar Automation, Inc.	Albuquerque	Manufacturer of Photovoltaic Modules and PV Cell Circuiting Systems Equipment
Solar Biz	Glenwood	Renewable Energy Products Distributor
Solar Energy, Ltd.	Los Alamos	Renewable Energy Research and Development
SolStar Energy	Albuquerque	Clean Energy Consultants
Solar Power & Light Services	Rodeo	Manufacturer of cable assemblies for renewable energy systems
Spire Solar Corporation	Questa	Solar Panel Manufacturer
Sunergy, Inc.	Albuquerque	Designs, integrates, and installs grid-connected solar electricity generation systems and solar water heating systems in residential and commercial applications
Sun-Tech Services	Las Cruces	Photovoltaic Installation
SurFect Technologies, Inc.	Albuquerque	Rechargeable Batteries and Fuel Cells
UniRac, Inc.	Albuquerque	Photovoltaic Mounting Structures – Manufacturer
Valverde Energy	Taos	Photovoltaic Systems
Zomeworks Corporation	Albuquerque	Photovoltaic and Solar Products
